

# Triple Tier & Box Style Designer Lockers

## TRIPLE TIER & BOX STYLE DESIGNER LOCKERS

Constructed of industrial grade particleboard and covered with durable plastic laminate, Salsbury 33000 and 36000 series triple tier and box style designer lockers are ideal for settings where space is limited and a professional environment is desired. Each triple tier designer locker compartment is 10-1/2" W x 22-3/4" H and includes a 5" deep shelf and a double prong ceiling hook. Each box style designer locker compartment is 10-1/2" W x 11" H. All designer lockers feature a gray, blue, black, maple, cherry or mahogany finish and include a black name / number plate (custom engraving #33360 is available as an option upon request). Sloping hoods (#33351 for one wide lockers and #33353 for three (3) wide lockers - order separately) attach to the top of the designer lockers and provide a finished look. Matching laminated side panels (#33333 for designer lockers without sloping hoods and #33334 for designer lockers with sloping hoods - order separately) provide a finished look to the sides of an individual locker or a row of lockers. Designer lockers include a 4" H x 17" D black base and are six (6) feet high (add 4" for the base) and 18" deep. All locker doors are 12" wide and include heavy duty concealed hinges and a lift up handle and recessed hasp for added security – built-in locks (#33310 for combination and #33315 for key), padlocks (#33320 for combination and #33325 for key), electronic locks (#33390) and resettable combination locks (#33395) are available as options upon request. One wide designer lockers are available as fully assembled units only. Three (3) wide designer lockers are also available as fully assembled units only and require minor assembly. See designer locker options on page 31.

# Double Tier "S" Style Designer Lockers

## DOUBLE TIER "S" STYLE DESIGNER LOCKERS

Constructed of industrial grade particleboard and covered with durable plastic laminate, Salsbury 37000 series double tier "S" style designer lockers are ideal for settings where a professional environment is desired. Each double tier "S" style designer locker compartment is increased to 40-3/4" H on one side to accommodate garments and includes a 5" deep shelf and a double prong ceiling hook. Designer lockers feature a gray, blue, black, maple, cherry or mahogany finish and include a black name / number plate (custom engraving #33360 is available as an option upon request). Sloping hoods (#33351 for one wide lockers and #33353 for three (3) wide lockers - order separately) attach to the top of the designer lockers and provide a finished look. Matching laminated side panels (#33333 for designer lockers without sloping hoods and #33334 for designer lockers with sloping hoods - order separately) provide a finished look to the sides of an individual locker or a row of lockers. Designer lockers include a 4" H x 17" D black base and are six (6) feet high (add 4" for the base) and 18" deep. All locker doors are 12" wide and include heavy duty concealed hinges and a lift up handle and recessed hasp for added security - built-in locks (#33310 for combination and #33315 for key), padlocks (#33320 for combination and #33325 for key), electronic locks (#33390) and resettable combination locks (#33395) are available as options upon request. One wide designer lockers are available as fully assembled units only. Three (3) wide designer lockers are also available as fully assembled units only and require minor assembly. See designer locker options on page 31.
