

# 12" Wide Standard Lockers Box Style

## 12" WIDE BOX STYLE STANDARD LOCKERS 5' HIGH AND 6' HIGH

Constructed of 16 gauge steel, Salsbury 65000 and 66000 series 12" wide box style standard lockers meet the growing need of lockers in retail, industry, offices and recreational facilities where space is limited. 12" wide box style standard lockers are available in five (5) feet and six (6) feet heights (add 6" for legs) and 12", 15" and 18" depths. The individual compartments are 12" W x 12" H. 12" wide box style standard lockers are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. Sloping hoods, finished end panels, end bases, front bases, compartment shelves, fillers and lockers without legs are available as options upon request - see all metal locker options and locks on pages 52-53.

**Volume Discount Pricing  
Available at Lockers.com!**

#65355's with optional sloping hoods (#77755), finished end panels (#77355), zee base kits (#77575), combination padlocks (#77720) and engraved name / number plates (#77760) displayed

## STANDARD BRIDGE LOCKERS

Constructed of 16 gauge steel, Salsbury 66000 series 12" wide box style standard bridge lockers feature sixteen (16) standard box style lockers. Available in a gray, tan or blue powder coated finish and as unassembled or assembled units, box style bridge lockers are ideal for applications where space is limited. An easy to reach 48" coat rod allows hanging space for full length garments.

## LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line top fillers overlap the existing locker tops and are easily attached with hardware (included) providing a finished look to the locker installation. Vertical front fillers include a wall angle slip joint that conceals uneven edges and provides a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

Locker installation with flat tops

Locker installation with sloping hoods
